This IDS is being submitted in compliance with 37 C.F.R. §§1.56 and 1.97-1.98, but the citation of references should not be construed as an admission that such references are necessarily relevant or are prior art. No representation is intended that the cited references represent the results of a search, and it is anticipated that the Examiner, in the normal course of examination, will make an independent search for prior art, consistent with 37 C.F.R. §1.104 and, in the course of such search, will review for relevance each and every reference cited on the attached Form PTO-1449.

This IDS has been submitted prior to the receipt of a first Office Action in this application. Accordingly, it is believed that no fee is due. In the event that a first Office Action was mailed on or before the date of submission of this IDS, the Commissioner is hereby authorized to charge any fees to Deposit Account No. 50-0521. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

Dated: May 3/2002
